Thank you 2007 Galaxy Sponsors for Helping Us Raise Over \$11,000 in 2007!

Callaway Realtor, representing [N.T. Callaway Real Estate](#) (\$1,000); Anthony Persichilli, Mayor of Pennington (\$1,000); Penny Townsend, Pennington School Headmaster, representing [The Pennington School](#) (\$1,000). Galaxy Sponsors not pictured, [Bristol Myers Squibb](#), and [Merrill Lynch](#) who also generously donated \$1000. Thank you all so much!

Where does the money go from corporate sponsorships?

Answer: Funds from sponsors support event costs for Pennington Day. Any remaining funds are then returned to the community in the form of grants which are distributed to non-profit organizations and other deserving causes that demonstrate a specific need. The Pennington Day Board of Trustees has responsibility for reviewing proposals and making grants. (For those organizations interested in applying for a grant, please come back this summer when we'll have the grant application available on this page.)

Your support makes it possible for us to offer these grants which enhance and strengthen our community!
